19th December 2017

Dear Parent/Carer

Parent Pay Shop

As Levenshulme High School is now a cash free school, items can no longer be purchased with money in school. In order to simplify the process for buying items on-line, we have launched the ParentPay shop where the following items can now be purchased:

- School Ties
- Locker Keys
- Revision Guides
- Replacement Planners
- Lost Books
- Tickets to school productions

You can access the shop via our school website under ParentPay or at the following website: <https://www.parentpay.com/ParentPayShop/Uniform/Default.aspx?shopid=672>

All items can be purchased using a debit or credit card, regardless of whether you have an active ParentPay account. All items paid for in the shop can be collected from Student Services **one school day after** payment has been made.

Yours sincerely

Dr J MacKinnon, PhD
Academy Headteacher
