

15th July 2024

Dear Parents/Carers

We are writing to you at the end of another very successful year for all members of our school community, and feel very proud of all that has been accomplished. We hope you share in our pride for the work we have achieved together through a strong and consistent home-school partnership.

To list the vast number of additional opportunities our pupils, your child(ren), has/have enjoyed would be quite the challenge. Nonetheless, we have captured some here: work experience, DREAM Day Walking Tour, the Duke of Edinburgh Award, the Year 8 Residential, Eco Work, Stepping into the Future, a fabulous production of Frozen, a range of sporting events, MacFest and many more trips, visits and experiences.

We would like to take this opportunity to thank you for your ongoing support and thank our colleagues for planning and delivering high quality learning throughout the year. Teamwork and collaboration are strong features of our school and we are both incredibly grateful for everyone's commitment to improving the lives of our school community.

This academic year will finish at 12.45pm on Friday 19th July 2024. Looking ahead to the next academic year, please see below for the return to school date and times for each year group:

Reading is an important way of developing vocabulary, improving your written English and a great way to relax. Please encourage your child(ren) to read regularly over the holidays and discuss with you what they are reading. There are suggestions on our website of suitable reading materials for each age group. Please also use the school website to access other useful information about our curriculum and life at Levenshulme High School.

We pride ourselves on celebrating the rich diversity of our school, delighting in the range of backgrounds, beliefs and cultures represented. Tolerance and valuing equality are at the heart of who we are as a school community. The strength of our shared values is one of the things which makes our school such a special place. Please take some time to talk to your child(ren) about what they feel makes our school such a kind and caring place to learn.

With the very best of wishes for a happy and safe summer,

Miss D Johnson
Co-Headteacher
